## Principals Greeting

Congratulations to our student's parents and staff on another successful year in School of the Holy Spirit. It was a busy year throughout the school with very Active students, graduation, Debs, First Holy Communion as well as completing topic work, sitting Junior Cycle and LCA exams and completing projects and presentations. We wish our graduating students all the very best in their future. Thanks also to our Student Council for their hard work.

Also we would like to extend our warmest wishes to Christine Leonowicz as she retires. We would like to thank her for all her years of dedication to her students and the school. We hope retirement brings beautiful things.

I wish to extend warmest thanks to the Board of Management, parents, students, teachers, SNAS, therapists, Olive, Breda, Walter and all who have made the school year so positive and memorable.
